

# SITE DRAWING WORKSHEET

Please use this area to provide a drawing of your construction site. Review the drawing legend and use the symbols shown to map your site plan. Include the following on the drawing:

- Nearest public road and distance to proposed home/building site
- Nearest Douglas County PUD facility (pole or transformer)
- Proposed home/building site and meter base location
- Proposed drain field and septic lines
- Fences (existing & future)
- North arrow

## DRAWING LEGEND
