Douglas County PUD customers have reported fraudulent phone calls from someone claiming to be from the power utility threatening to shut off their power if they don’t pay. Customers have been asked to wire money, give out banking information or to buy a pre-paid card and call back with the card information. Douglas County PUD never asks customers for this type of payment.

Local law enforcement authorities urge customers to not give out any personal information. If you get a suspicious call, hang up and call Douglas County PUD at 509-884-7191 to verify your account status.

We always like to hear what you have to say. Please, if you have any comments or questions write them down and send this back with your payment. Thanks~
