Chicken Creek Boat Launch-
Located near RM 537 at Washburn Island where Chicken Creek flows into the Washburn Pond. The site includes a concrete plank boat launch, gravel parking lot and vault toilet. The boat launch provides access to the Washburn Pond but not the Wells Reservoir.

Monse Bridge Boat Launch-
Located on the right bank of the Okanogan River at RM 4.7. Facilities at the boat launch include a concrete plank launching ramp, gravel parking and a vault toilet. This shallow access is most suitable for small boats.

Cassimer Bar Fishing Access-
Located on the left bank of the Okanogan River near RM 1. The site is in close proximity to the Highway 97 Bridge near the confluence of the Okanogan and Columbia rivers. This Okanogan River Gravel Boat Launch-
Located on the right bank of the Okanogan River at RM 6.7. Public access to the site is available via Monse River Road. This undeveloped area serves as boat launch for waterfowl hunters and fishermen. This site also provides shoreline fishing access. This shallow access is most suitable for small boats.

Okanogan River Gravel Boat Launch-
Located on the right bank of the Okanogan River at RM 6.7. It is accessible via Highway 97. The site includes a gravel parking area, concrete boat launch and vault toilet.

Water Trails Campsite-
Located on the left bank of the Wells Reservoir near RM 517.5. The site is comprised of two 8’x8’ tent pads for overnight use by paddlers only. There are no other facilities at the site.

Methow Fishing Access-
Located off of State Highway 153 approximately ½ mile from Highway 97 at the confluence of the Columbia and Methow rivers. The site includes a gravel car-top boat launch, gravel parking area and two vault toilets.

*RM = River Mile
Recreation Sites on the Wells Hydroelectric Project

CAUTION!

Columbia River water levels change rapidly. Boaters must exercise due care when launching and piloting boats.

You may encounter:
- Shallow water,
- Submerged objects,
- Floating debris,
- Strong currents,
- Waves and high winds.
