Use the SmartHub Feed

Overview

The SmartHub Feed serves almost like an activity log for your account. Pay a bill and there will be a message about it in the Feed. Sign up for recurring payments and SmartHub notes it here. Contact your provider... well, you get the idea. So not only will SmartHub contact you via email or text at your direction using Notifications, you can come here to see any actions taken in SmartHub affecting your account.

Additionally, you may see postings from your provider on various social media sites, such as Facebook, Twitter, or Google+.
