Re: HCP Tributary Committees Meeting Progress Report

The Wells, Rocky Reach, and Rock Island Hydroelectric Projects Habitat Conservation Plans Tributary Committees did not meet in August. However, the Rock Island Tributary Committee did approve the following budget amendment during August.

Wenatchee Nutrient Assessment – Treatment Design

The Cascade Columbia Fisheries Enhancement Group asked the Rock Island Tributary Committee if they could move \$9,606.52 from Salaries and Benefits to Professional Services. Thus, the final amount allocated for Professional Services would be \$69,606.52 and the final amount allocated for Salaries and Benefits would be \$10,393.48. After careful consideration, the ***Rock Island Tributary Committee approved the budget amendment.*** The total budget amount will not change as a result of this amendment.

Next Steps

The next meeting of the Tributary Committees is scheduled for Thursday, 11 September at Grant PUD in Wenatchee.
