

Agenda for the Pre-proposal Presentation Workshop for the UCRTT, HCP Tributary Committees, and SRFB State Review Panel Members

Location: **Chelan-Douglas Land Trust**, 18 S. Wenatchee, WA 98801.

Date and time: April 8, 2015; **9:00 – 5:00**

For more info contact: Chuck Peven 670-5100, pci@nwi.net

Ground Rules for presenters and participants:

1. We must stay on time!!

Presenters:

- At 5 minutes (left), Joy will signal the presenter and let them know they need to wrap up for questions;
- At 25 minutes, we will end the conversation and move on to the next presenter.

2. Listen to the presentations and keep side conversations to a minimum.

- If you need to caucus, please do so outside the room.

3. Keep questions and comments succinct.

- During the discussion and question period, we want to be able to capture all salient points and ensure that all who have questions get them asked, and ensure that we stay on time.

4. Be respectful and professional.

- It is important to ensure all perspectives are heard, which will make for a better end product.

5. Engage!

- We need everyone to contribute constructively.

6. Please adjust your cell phones.

The meeting will start at 9:00 (prompt). Also, because of the number of presentations, they will be limited to 25 minutes (this includes Q&A). Time will be strictly enforced!
